NOTES FOR WALKERS

Let the Leader lead, do not walk in front of the Leader unless asked to do so.

Walkers should be adequately equipped, wearing suitable footwear, and carrying clothing appropriate to the weather conditions. Food and drink should be brought on full-day rambles.

Members and walkers are reminded that they attend walks in this Programme at their own risk and that they are responsible for their own safety.

Dogs may be brought on walks subject to the prior agreement of the Leader. Leaders are strongly advised not to permit dogs on a walk where there is the possibility of cows being met. Where dogs are permitted, they must be on a short lead at all times and the dog owner, not the Leader, nor the Ramblers Association is responsible for the dog's behaviour and any liability for any claims etc.

Walks in this Programme are circular unless otherwise stated. Alterations or additions to the

Programme will, if possible, be published in the West Riding Rambler, the WR Area Website www.ramblersyorkshire.org or local Press.

Full programmes of some Group walks may be obtained from Group Secretaries (*see inside front cover*).

Please volunteer to lead a walk by contacting your local group walks co-ordinator or the Social & Rambles Committee (*see inside front cover*).

In severe weather conditions the walk may be cancelled, if in doubt, phone the Leader.

NOTES FOR WALK LEADERS

All walk leaders should:

pre-walk the route so that he/she is confident in leading the walk at a suitable pace in the time available, with appropriate rests.

try to arrange the start of the walk to co-ordinate with public transport, and give public transport information when required.

announce at the start that no one should walk ahead of the Leader without permission.

count the number of walkers at the start and check numbers regularly. He/she should appoint a back marker who knows the route and carries a whistle.

reserve the right not to accept in the party anyone he/she considers to be inadequately equipped.

ensure, whilst the walk is crossing or walking along roads, that standard safety rules are observed.

carry the following equipment as appropriate to the terrain: map, compass, simple first aid kit, whistle, torch, watch, spare energy-giving food, spare clothing, survival bag & mobile phone.

may alter his/her plans to suit the circumstances, e.g. bad weather or accident.

arrange toilet stops as necessary along the route.

try to give information of historical, geographical or environmental interest on the walk.

report footpath obstructions to the appropriate Group Footpath Officer (*see below*).

understand that the aim of rambling is enjoyment, not merely achievement.

FOOTPATH PROBLEMS

Members who come across footpath problems, such as blocked or obstructed footpaths, while out walking, are urged to report these either to the appropriate Area Footpath Officer, or if you know in which Local Group's territory the problem occurs, to the appropriate Local Group Footpath Officer, so that the matter can be taken up with the relevant local authority.

Coach Rambles take place once a month on Sundays,
and offer somewhat more than the normal Sunday
walk, the opportunity to visit different walking areas
further afield, a relaxing journey with no driving, a
linear walk, and a pleasant social occasion including
a drink, a meal in a pub.

There is usually a choice of three types of walk:

B walk: about 6 to 8 miles, leisurely pace, often time
at end for visits to teashops, etc.

A walk: average walk, approx. 10 miles, not too
strenuous, but will include hills.

A+ walk: tough walk (up to 14 miles), faster, more
strenuous and usually over more difficult terrain than
other walks, but often on higher ground with better
views!

Start times and pick-up points

Coaches start 8.30 from either Leeds or Bradford
depending on the destination, calling at Thornbury
Barracks Roundabout at 8.45, then picking up at
Leeds or Bradford at 9.00.

Pick-up points

Leeds: Edward Street off Vicar Lane; Thornbury:
Thornbury Barracks Roundabout (north or south side
depending on start point); Bradford: Jacobs Well car
park

Other pick-up points by request: the coach will
also call at other points en route, e.g. Huddersfield,
Shipley, Bingley, Keighley, Wetherby or by request
where feasible. It is hoped that members from
outlying RA Groups will also be able to join the
coach rambles if suitable pick-up points can be
arranged for them.

Cost, payment etc.

The present coach fare (collected on the journey) is
£10, £11, or £12 depending on numbers. The cost of
the meal is usually around £6.00 - £7.00 (collected at
the table).

Other arrangements

Packed lunch is required and it is advisable to bring
spare clothes and footwear to change into after the
walk. These can be left on the coach during the day.

To book a place on a coach ramble contact Val
Bamforth (01274 591678)

Cancellation
